

# FOLLOW OUR GOOD NAME!

**Welcome to the SCC-family:** We are one of Europe's biggest consultancy companies in the regulation sphere, a respected partner of the chemical and pharmaceutical industry, and, for more than 160 experts from different countries, a professional home. Our passion: managing registration and approval procedures for agrochemicals and biorationals, chemicals, biocides as well as pharmaceuticals and medical devices. Our goal: to grow even further and to open up new areas of business in an international client environment. In the personal, open working culture of a family business that is focused on caring for its team. Located at the heart of the Rhine-Nahe region, alongside nature, but also right next to the vibrant Rhine-Main area.

Expand our scientific expertise as

## ECOTOXICOLOGIST (M/F/D) REGULATORY AFFAIRS - Biocides

BAD KREUZNACH

### WHAT YOU CAN EXPECT

- Your path is taking you into the department "Biocides" into a team of currently 28 people – and right into our enormous diversity of projects
- Your task: assessment of ecotoxicological properties of various substances mainly in the field of biocides
- Your mission: in collaboration with your colleagues you will plan/coordinate studies, evaluate ecotoxicological studies, prepare exposure and risk assessments, as well as the respective dossier parts, and leading various regulatory projects.
- Your focus: to obtain approvals/authorisations for our client's active substances/biocidal products in the European and global markets

### WHAT WE OFFER

- Flexible working hours as well as the possibility of mobile working
- Job Bike
- Intensive on-the-job training and opportunities for personal and professional development
- An appreciative working environment
- An attractive salary with profit-sharing, bonuses and benefits (company pension plan, food allowance, etc.)
- A very good working atmosphere in a team supported by corporate events and socialising outside of work

Do you thrive on challenging projects in an interdisciplinary team of ambitious professionals? Then apply online via the link below!
