

# FOLLOW OUR GOOD NAME!

**Welcome to the SCC-family:** We are one of Europe's biggest consultancy companies in the regulation sphere, a respected partner of the chemical and pharmaceutical industry, and, for more than 160 experts from different countries, a professional home. Our passion: managing registration and approval procedures for agrochemicals and biorationals, chemicals, biocides as well as pharmaceuticals and medical devices. Our goal: to grow even further and to open up new areas of business in an international client environment. In the personal, open working culture of a family business that is focused on caring for its team. Located at the heart of the Rhine-Nahe region, alongside nature, but also right next to the vibrant Rhine-Main area. Expand our scientific expertise as

## TOXICOLOGIST (M/F/D) - REGULATORY AFFAIRS

BAD KREUZNACH /BERLIN

### WHAT YOU CAN EXPECT

- Your path is taking you into a team of currently 17 people – and right into our enormous diversity of projects.
- Your task: development of testing strategies, planning and monitoring of studies, assessment of toxicological properties of chemicals, performance of human health risk assessments, preparation of expert statements and registration dossiers in close dialogue with the industry, authorities and research institutions.
- Your mission: to actively participate in toxicological and regulatory projects.
- Your focus: to obtain and defend registrations for our clients' products mainly under the EU REACH regulation but also worldwide.

### WHAT WE OFFER

- flexible working hours as well as the possibility of mobile working
- Job Bike
- intensive on-the-job training and opportunities for personal and professional development
- an appreciative working environment
- an attractive salary with profit-sharing, bonuses and benefits (company pension plan, food allowance, etc.)
- a very good working atmosphere in a team supported by corporate events and socialising outside of work

Do you thrive on challenging projects in an interdisciplinary team of ambitious professionals? Then apply online via the link below!
